Happy Easter!

This beautiful spring card is as simple as it is stunning! It is made using the *"You're Inspiring"* stamp set from the Stampin' Up Occasions catalogue. This stamp set is very versatile with some beautiful sayings suitable for Easter, Mother's Day, Birthday or just to let someone know that they inspire you!

The *daffodil delight cardstock*, with colour on colour for the card base and embossing folder. The *"basket weave dynamic textured impressions embossing folder"* is part of a bundle from the 2nd Sale-a-bration release- and is so realistic looking you would think that I actually wove the paper! I've paired the daffodil yellow with *old olive cardstock* using the *layering ovals* and the *Big Shot*. I used the *classic label punch* to punch out the greeting. To add a little sparkle I added *glitter enamel dots* to the greeting.
